

Ken & Sharon Murray – Prince Rupert, BC

It was good fortune to find such a wonderful condo and area to spend two weeks. Everything was beyond our expectations I would highly recommend the local restaurants on the street - Karen's Place, Marks, Rito Bacci for pizza & home Italian, Sandrinis and Mezza Giarno. We also went to Puerto Bello in the marina district which was wonderful. A special "thank You" to Aggie the property manager, she is truly a gem!

Thank you very much Don, It has been awesome, the weather, the waves, the view, the pool & condo were perfect. Everything was within walking distance, except the tours. The kids loved riding the waves on the boogie boards. They swam with dolphins and swam all day long . Great time!

Fran

I have had so much fun here playing on the waves, in the pool, and also just relaxing. The rooms are very nice. From Kayla

Me and my family had lots of fun making sand castles. Parker

Thank you so much, had a blast. Penny

We all had an awesome time. Thanks Denice + Steve

Thank you for sharing your home with us. It is very very beautiful and Bucerias is a wonderful little town. Aggie is the best, she went as far as to drive me to my zip line adventure herself, she rocks!

Thank you Don & Sue. Sylvia Thorlakson

WITH GREAT APPRECIATION AND HEARTFELT THANKS TO THE GRACIOUS HOSTESS & HOST SUE & DON FOR GENEROUSLY EXTENDING THEIR BEAUTIFUL HOME TO US AND TO ENJOY OUR FIRST TROPICAL FAMILY VACATION WITH THEIR FAMILY. WE THOROUGHLY ENJOYED OURSELVES! JORDAN EXPERIENCED SWIMMING WITHOUT A LIFE JACKET! QUERER PISCINA. CONNOR EXPERIENCED MEXICAN SHOPPING AND LEARNED TO SAY "CUANTO CUESTA ESTO?"

A MARAVILLOSO VACATION FOR BOTH MICHAEL AND I! LOVED THE QUIET EVENINGS ON THE DECK VISITING AND HANGING OUT AT THE CONDO.

We have been many places but Don & Sue you have outdone yourselves! This is breathtaking, what more could we ask for? Aggie is fantastic!

Mega store has all the groceries you could need including beer & Alcohol. Just walk up the main road, look for a bus that says Puerto Vallarta and wave it down, tell them Mega which is 5pesos each. Taxi back is 60pesos and they will bring you to the front door.

Karen's is fabulous for an English or Mexican breakfast, the best banana or chocolate chip pancakes, just like home. Turn right when you leave the complex and walk about 5 minutes it

is on the right hand side.

Across the street has great coffee & fresh bread in the morning.

This condo is perfectly stocked for any family right down to the wii for when the kids have had enough sun! Enjoy!! Thanks again Defeo family!

The Hirano's – San Jose California

We can't imagine staying in a nicer place in Bucerias! We had a very relaxing week just hanging out by the pool or at the beach. About the most difficult decision each day was where to go for dinner. You provided for all our needs. The use of the boogie boards, surf boards and kayaks provided great entertainment at the beach. We always felt like we had a room to ourselves even with our three teenagers.

We will highly recommend your lovely condo and hope to be back soon.

I too would like to tell you we had a great time in your condo - it was perfect for the family, particularly the boys with the pool access so readily available, and the ocean just steps away. There was lots of breathing room for all of us, and as Jim said, the location is just superb - in the thick of things so to speak. Thanks again - we had a great family bonding time, and would certainly use your condo again.

Don & Dianne Sidney BC

Thank you so much for the opportunity to stay at your beautiful Condo in Bucerias. It truly is a gorgeous place, so close to the culture. We all had such a wonderful time and looking forward to going again next year, only with a longer stay. Everything was absolutely first class.

Neil and Val, Salmon Arm BC

Just wanted to say thank you so much for the use of your condo. It was a fantastic vacation and your condo is beautiful. Everything was truly amazing and the condo is so well stocked. We went out for a couple of dinners but really enjoyed cooking - you have everything you need there. We have not been to the Pacific side of Mexico for about 5 years and we really loved it! Theresa was great as well.

Thanks again Don - we really plan on using it again - the people we were with want to make it an annual "business trip" so I will most likely be getting hold of you soon to book it for next year if it is available.

Our stay at the Punta Arena was great!

The condo is beautiful and very spacious with all the amenities of home. The location couldn't be better and the beach is spectacular. Teresa and Jose made sure we had everything we needed like taxis, help with the groceries, banking information and shopping. The little town of Bucerias is right outside the door and PV, Sayalita and Punta Mita are all near by. We enjoyed using the barbeque on the spacious deck while taking in the outstanding ocean view and listening to the waves lap the beach. We also enjoyed several Mexican and International restaurants along with the local street vendors serving Mexican specialties. Only problems we had were that our vacation was not long enough and we had a hard time getting out of the refreshing pool that faces that wonderful beach.
