

Suite 102, Managers Suite.

The south west corner of the main floor of The Pinnacles building has always hosted the offices and administration departments of the Pinnacles Suite Hotel. This area which has historically always been referred to as suite 102 will become strata lot 4 of the new strata plan. It will become a “unit” “strata lot” or “suite” just like each of the other units in the building.

This unit is not being offered for sale at this time as it is fundamental for the current operation and rental management function of The Pinnacles. Ownership will remain with the developer and rental manager.

This area is not to be confused with the lease area which is explained in the “Common Amenities” - “Lease Area” section of this web page.
