

Overview

The units being offered for sale were previously operated as The Pinnacles Suites Hotel and have a proven and very successful rental history. The percentage of return clientele is probably the highest of the entire resort.

Owners can live in their units all year round, lock and leave their unit, or continue with the proven rental and management team to maximize your investment / rental income when you are not using your unit.

The property manager provides all the promotion, management, reservation, booking, personnel, housekeeping, and maintenance functions of the rental process and receives 40% of the rental income. Owners receive 60% of the rental income absolutely hassle-free and without any time or energy requirements.

The full rental / management contract is provided as a separate document on this web page as is the historic rental income for each suite.
